Subject:

Supply of Electricity under .....Category

Sir,

I/We hereby apply for electrical connection to my/our premises described hereunder and I/we agree as follows:-

1. I/We hereby agree to take from the Power & Electricity Department, Government of Mizoram at the premises stated below a supply of electrical energy not exceeding the contracted load of my/our installation as stated in the enclosed schedule for a period of not less than two years (*N.B. Not applicable for temporary connection*) from the date of commencement of supply.

2. I/We further agree to pay for the said supply in accordance with the relevant Tariff and also to pay for all such other charges as may become due by me/us to the supplier from time to time, at rates laid down in the *Terms & Conditions of Supply of Electrical Energy* and the *Schedule of Tariff* in force of Power & Electricity Department, Government of Mizoram.

3. I/We further agree to lodge with you a deposit calculated as prescribed in the *Terms & Conditions of Supply of Electrical Energy* including *Schedule of Tariff* for the purpose of giving electric connection to my/our premises.

4. I/We declare that the *Terms & Conditions of Supply of Electrical Energy* by the department of Power & Electricity, Government of Mizoram including the *Schedule of Tariff* have been carefully perused by/read to me/us and I/we agree to be bound by these terms and conditions.

5. I/We agree to comply with the provisions of the *Indian Electricity Act, 1910*, the *Electricity (Supply) Act, 1948* and the *Indian Electricity Rule, 1956* and orders issued from time to time by the Power and Electricity Department, Government of Mizoram in terms of the above acts.

6. I/We further agree to give you such security as may be required for meters and metering equipments supplied by Power and Electricity Department, Government of Mizoram.

The necessary particulars for the supply of energy to my/our premises are given in the Schedule hereunder (*Appendix - II*).

**Particulars for supply of energy**

1. Applicant's Name : .....
  2. Address for communication : .....  
.....  
.....
  3. Description of the premises : a) House No: .....  
where supply is required b) Road/Locality: .....  
c) Patta No. of land: .....  
d) Name of area/locality: .....  
.....  
e) Town/Village: .....
  4. Name and permanent address: .....  
of the owner of the premises  
where supply is required .....  
.....
- (If the applicant is the owner of the premises, this may be filled up with 'Applicant')*
- (If the applicant is not the owner of the premises, a consent letter from the owner of the premises and indemnity bond, indemnifying the department against any loss for the service connection and consumption of energy, should be enclosed alongwith the application.)*
5. Voltage at which supply is required: .....
  6. The system of wiring shall be : .....
  7. Status of connection required : .....
  8. The wiring work will be carried : .....  
out by .....  
.....

**Sheet 3**

9. The following are my/our requirements:-

<i>Sl. No.</i>	<i>Description of apparatus</i>	<i>Quantity</i>	<i>Wattage per apparatus</i>	<i>Total demand in (Watts)</i>	<i>Remarks</i>
1.	Fluorescent tube 2 ft point		20 W		
2.	Fluorescent tube 4 ft point		40 W		
3.	Ordinary Bulb point		60 W		
4.	Ordinary Fan point		60 W		
5.	5A Plug point (single phase)		100 W		
6.	15A Plug point (single phase)		1000 W		
7.					
8.					
9.					
10.					
11.					
12.					
A = Gross Total Demand (in Kilowatt)					

10. Required Contracted Load of the Installation, therefore, is ..... Kilowatt.

11. Category under which the connection shall be classified .....

Signature of Licensed Contractor  
(who will carry out the wiring & installation works)
